

14. As shown in this link, plans for the Kwik Way Development project would eliminate the driveway to the right of the existing building and replace it with a single driveway at the B of A side of the property. This would make the left turn pocket on eastbound Lake Park totally extraneous. Would you approve of installing barriers on both sides of this section of crosswalk to narrow its width and create a safe haven for pedestrians?

Value	Percent	Count
Strongly approve	30.7%	180
Approve	33.4%	196
No opinion	20.8%	122
Disapprove	7.8%	46
Strongly disapprove	7.3%	43
<b>Total</b>		<b>587</b>

This is one of the subjects that's very likely to be discussed by a resurrected Traffic Calming and Pedstrian Safety Committee (see Question 16). Meanwhile, a number of comments regarding this proposal were posted on Question 17 and are available on [THIS LINK](#).
