

15. If the post office agreed to install a mailbox on Lake Park in the location shown in this link, it would allow you to safely pull up to the box and drop off your mail. Given this choice, which option would you most likely use?

Value	Percent	Count
Existing boxes on sidewalk	20.3%	119
Newly installed drop-off box.	32.6%	191
Both	30.4%	178
Neither	16.7%	98
	Total	586

This is another subject that's very likely to be discussed by a resurrected Traffic Calming and Pedestrian Safety Committee (see Question 16). Meanwhile, a number of comments regarding this proposal were posted on Question 17 and are available on [THIS LINK](#).
